

Legacy and Planned Giving with The BHI Senior Living Foundation

Giving Through a Foundation Partnership

At the BHI Foundation, we rely on the generous support of partner foundations to help us fulfill our mission of enhancing the lives of older adults through exceptional care, community enrichment, and lifelong security. The contributions from philanthropic foundations allow us to fund Benevolent Care, Employee Support, Community Enrichment, and Capital Improvements, ensuring that BHI Senior Living communities continue to provide the highest quality of life for our residents.

Through the generosity of our foundation partners, we are able to sustain vital initiatives that support residents who have outlived their financial resources, assist dedicated employees with scholarships and hardship relief, enhance campus amenities and community outreach, and invest in new facilities and sustainable infrastructure. These gifts make a lasting impact, helping us create an environment where older adults can thrive.

We invite foundations to join us in our mission and be part of something truly meaningful. Together, we can continue to provide security, dignity, and exceptional senior living experiences across all BHI communities.
