

## **FOR IMMEDIATE RELEASE:**

### **Towne House Retirement Community Hosts Annual Holland Elementary Luncheon**

Fort Wayne, IN — The Towne House Retirement Community is proud to continue a cherished tradition with its 12th annual Holland Elementary Luncheon, celebrating and supporting local educators. The luncheon will be held on Monday, August 5 at 12:00 PM in the Carriage Dining Room at Towne House Retirement Community.

In partnership with the BHI Foundation and thanks to the generosity of Towne House residents, the initiative has a goal of raising \$11,757 for the Holland Elementary Fund. Each teacher from Holland Elementary School will receive a \$330 gift card to United Art & Education to help them purchase classroom supplies for the upcoming school year.

“Our residents have a deep appreciation for those who dedicate their lives to education,” said Hayley Compton, Executive Director at Towne House Retirement Community. “This luncheon is just one way we can come together to honor the hard work and heart the teachers at Holland Elementary bring to their classrooms every day.”

One of the most memorable moments of the event is when Towne House residents personally present the gift cards to each teacher, creating a powerful and heartfelt connection between the generations. The luncheon not only honors the hard work of teachers but also strengthens the bond between the Towne House and Holland Elementary communities.
