

## **FOR IMMEDIATE RELEASE**

### **Westminster Village North Resident Honored with LeadingAge Indiana Volunteer of the Year Award**

**INDIANAPOLIS, Ind.** — Westminster Village North, a BHI Senior Living community, is proud to announce that resident Marcy Hankins has been named the recipient of the LeadingAge Indiana Volunteer of the Year Award, a prestigious honor recognizing exceptional commitment to older adults and outstanding volunteer service within senior living communities.

Marcy, a resident of Westminster Village North since 2023, was selected by the LeadingAge Indiana Awards Committee for her extraordinary dedication, compassion, and meaningful contributions to the Westminster Village North community and beyond.

The LeadingAge Indiana Volunteer of the Year Award recognizes individuals whose volunteer efforts enhance quality of life for seniors, positively impact their community, and promote the mission and goals of the organization they serve. Marcy embodies each of these qualities through her daily acts of kindness, leadership, and service.

“Marcy represents the very best of servant leadership and community engagement,” said John Dattilo, President and CEO of BHI Senior Living. “Her compassion, generosity, and unwavering dedication to others reflect the mission and values we strive to live out each day across our BHI communities. The impact she has made on residents, families, and team members at Westminster Village North is truly extraordinary, and we are incredibly proud to celebrate this well-deserved recognition.”

Marcy’s volunteer efforts touch nearly every aspect of community life. She regularly calls Bingo multiple times each week for Assisted Living residents, including evening and weekend sessions, bringing joy, connection, and laughter to participants. Her warm spirit and enthusiasm create an inviting and engaging atmosphere for residents of all abilities.

In addition to her social programming involvement, Marcy is passionate about environmental stewardship. She actively monitors recycling efforts throughout the community, ensuring proper sorting practices while helping reduce contamination. She frequently goes above and beyond by collecting recyclable materials around campus and helping educate fellow residents on sustainability efforts.

Marcy also plays a significant role in charitable outreach initiatives at Westminster Village North. She has helped organize and support community-wide sock and food drives benefiting local outreach programs through the chaplain’s office. From monitoring donation bins to

personally assisting with deliveries, Marcy's dedication to helping others extends well beyond the walls of the community.

Perhaps most meaningful is the personal care she shows fellow residents each day. Marcy sends handwritten birthday cards to residents throughout the community and thoughtfully mails get-well cards to residents returning from hospital stays. She regularly visits residents in Health Care, offering companionship, encouragement, and kindness that brighten the lives of those around her.

Her support of Westminster Village North's Life Enrichment department has also been invaluable. Marcy assists with event setup and cleanup, helps residents during activities and meals, encourages participation, and advocates for residents—particularly those in Assisted Living who may need additional support or encouragement to share their voices.

Above all, Marcy is known throughout the community for her willingness to help wherever needed. Her attentiveness, generosity, and servant-hearted approach have made her an integral part of the Westminster Village North family.

Westminster Village North and BHI Senior Living congratulate Marcy Hankins on this well-deserved honor and thank her for the countless ways she continues to enrich the lives of others through volunteerism, compassion, and leadership.
